Seventeen Hunton & Williams Attorneys Selected as 'Georgia Super Lawyers' and 'Georgia Rising Stars'

Hunton & Williams LLP is pleased to announce that 17 attorneys from its Atlanta office have been selected for inclusion in "Georgia Super Lawyers" and "Georgia Rising Stars" for 2009, as revealed in the March edition of *Atlanta* magazine.

The attorneys selected to this year's Georgia Super Lawyers list were nominated by their peers from across the state of Georgia. The Rising Stars honorees, who are under age 40 or who have been in practice for ten years or less, are chosen each year by the newly selected Georgia Super Lawyers and include attorneys from a wide range of practice areas, firm sizes and geographic locations.

In addition to being named to the Super Lawyers list, Rita A. Sheffey and Caryl Greenberg Smith were named among the "Top 50 Women Georgia Super Lawyers." Sheffey was also included among the "Top 100 Georgia Super Lawyers."

The firm congratulates its 2009 Georgia Super Lawyers and Georgia Rising Stars.
