## 2025 Summer Clerkship Program

We would like to invite interested law students to apply for the **Hunton Andrews Kurth 2025 Summer Clerkship Program**, which will take place during **June–July 2025**.

We are looking for students to intern in our *Corporate* department or *Energy and Infrastructure (EIT)* department.

### *Corporate Department*

The Corporate department provides legal services to corporations, financial institutions, and governments in the areas of mergers and acquisitions, financial advice, securities and capital markets as well as arbitration and litigation.

### *EIT Department*

The EIT department works with international and local clients (e.g. corporates, private equity funds and development banks) on: (i) energy (including renewable energy) and infrastructure matters; (ii) real estate developments and financings; (iii) mergers and acquisitions; (iv) project financings and project developments; and (v) as a project/transaction counsel, other matters required for the success of the project / transaction (including capital markets issues and tax structuring).

### How to apply:

Each applicant must submit his/her resume (with color photo) and up-to-date transcript to

**Suvimol Sae-Eaib**

at [Suvimol@HuntonAK.com](mailto:Suvimol@HuntonAK.com)

Please contact 02 645 8857 should you have further questions.

### Notes:

- Applicants must specify the firm's department to which they wish to apply.
- Applicants can apply to both departments.

**Deadline:** October 31, 2024, or until the positions are filled-up.
